THE CENTRAL DEA OF THE CONTEST

was held at New York. It presented o the country a platform which proclaimed a revous able numbers. The I tab Northern lutton against he reconst uction act the 125 readly helped that part of the t constitutional amendments and the whole resal a of the war. Its language was than the Han the country is now well settled settlements which had been made b con ba mon river mines have also attract large with bit mrighted by the reputition party and numbers of people. In Northern Loan there had bring the prompter ved by the country were unconstituelso that the national acts ought to be paid an greenbacks which was only a poor diswas a platform for revolution and repudia emphasized its leading points and presented tion on that occasion, and received a large belief (bat—the preservation of constitutions; and Blair through the notorous Tweed for Seymour and Blair With these excep tions the north was solid for Grant and Col and the revolu maists and reputilat were thus over whelmingly condemned by the

political retrogression. The democratic party mania to return to the old confederate into repuduate the :des of nationality and en throne once more the old idea of state suprem acy it is bostile as ever to the constitutional ents, and wants to dealroy them General Hancon of latrue says he regards discus as 10 vio able; but a was only a few years ago that he subscribed to the doctrine Shall we take him at his word as now given or at his word as formerly given? His varia ment which confers upon colored citizens the racist of suffrage three-fourths of it still re gard the meger as fit only to be a property, me no rights which a white man is In the southern states where the party has its chief atrength, the Macks, though guaranteed the suffrage by the metional constitution, and that permitted to Exercise the right thus assured but are deprived of the right by force and fraud. The ands of bacon a week The democratic sold at nearly twelve per cent discount party (ought buterly and with desperation the measures by which a race numbering four mallions was liberated from this condition It opposed the constitutional amendments to confirm this race in the rights ferred upon it and to prohibit payment of the rebel debt. It has been the champion of guited And the most revolutionary of all ste clatforms the most desperate of all its efforts to destroy the results gained 35 the war, had the special endorsemen of Gen Hancock I' t be said that it is incredible that Hancock who had fought in the war should have pronounced against any of its legiumate resu is, legat be answered that it is not more incredible than that Gen Blair should have done the same thing The coup try will say whether it will approve in Han cock what it so strongly condemned in B'a.r.

cratic party threate Here now is the der il ratrogression as beretofore test is for possession of power by those principles and by those on the other who in sist on restoring confederate dectrines. The election of Hancock would signify a return of the domineering rule of the south over the morth and the defeat and destruction of all those results and leval enaging as the first wives at the family residence corner found. Chose results and legal enactments which followed the war as a natural consequencewhereas the election of Garfield would be and the strengthening of the present point cal and legal status of the nation Before the susgentide and importance of the pending contest candidates and predilections for men totally disappear. The true and real quesissue is not Garfield, or Hancock but asorth or south a civic or an aristocratic govby before the law, or state and sectional sovmeignty servitude, and the unbearable ing of a cavaller and brigadier gov-

PROGRESS OF THE TERRITORIES Many of our greatest states had much less noting addictor notationarised no notation see Windling on territory has now Il nois, or example had only a little more than hal the present population of Washington The been remarkable, and during the next ter years will be more remarks ale at lil t now has a population of 74,753 against 23,500 ten years ago. Oregon's population has not quite doubled in ten years whole if at of Washing ton has more than trabled. The latter nov dies as much population and wealth as Ore gon had ten years after her admission as a state. As every one had an icipated the cen the shows that the largest proportional gain that beer in the eastern counties of the terri tury In those seven countries the aggregate popu alton is now 30 644 against 39 1 f3 west of the Cascade mountains. It is curious to mote how nearly squal in population the estem countries of Oregon and Washington see. Not including Lake in the lat of Elst em Oregon countries as its situation places it maore Laurally nathe southern class we have in our casern counties a population of 35 347. Thus the eastern countries of Washington are shead of the east and will elikely for a time to increase their ashington is growing fas er in popi lating and weakly than any other territory excitt to the which by reason of seriox panels to the fer states and its value extent

Excision and wealth than any other intritory and the present of a processing present accessing to the first by the close of the present certain and a precent accessing a will be not is at than 2000 of the first by the close of the present certain principal and a precent accessing a will be not is at than 2000 of the first by the close of the present certain principal and a therefore the processing present in principal accessing the principal accessing the principal accessing the principal accessing the principal accessing to the principal accessing to the principal accessing the principal accessing the principal accessing the principal accessing to the principal accessing the principal accessing to the principal accessing the principal accessing the principal accessing to the principal accessing the principal accessing the principal accessing the principal accessing to the principal accessing the principal accessing to the principal accession accessing to the principal accessing to the principal accessing to the principal accession ac As the ed that hive nines of rail only the built across Dako a the rapid rog Sand s, as ing o ore than the population pre screed by law as the unit of representation HO SEROLD GOODS AT A BARGAIN second by law as the unit of representation to the control of the

in the lait ten years while the augmentation of the polygamists in that period has been only | per cent Census returns from Idaho show a population of 32 611 against 14 220 in 18 0-a very favorable growth. Lat + pert of the increa e has been in the south refera In 1868 the den cerate national convent n + rt on of the territory adjacent to Utali where the Mormons have settled in c sider In the valley of Sanke river above a a fine belt of country which is sharing the sonal revolutions v and void It declared proteinty and progress of Lastern Washing Dr. H. Raff i ten and which will attain speedy develop mert brough the railways now bu ding in

sonds should be subjected to taxation. This Popt's Manual of Railroads for is a ne fo de valuable, statistical information contion. It was followed by Blair's letter, which cern no the operation and earnings of the rouse running through the United States the naked proposition to overthrow all these states is 3 the mes have been extended from Four years war had created General Han cock was a candidate for the chief nem na Mirual reports the operations on 84 232 of wate. After the convention had adjourned an increase of \$38,909,684 ever 18.8 and \$2 the was saked to ratify. This he dut by 39.184 over 18.3 which was the best year fry writing the Giover letter a copy of which we railroads up to last. In connection with the give to day In that letter he decia ad his expansion of samings should be taken the reduction of freight rates which have fallen government depended on the success of the from 177 cents per mile in 1872 to 192 in democratic party —upon a platform o'rayto- 18%, while the increase of tons transported aution and repudiation. Had Hancook been 11 1570 is 47 27 over 1873. Faken geographi whelmed in defeat as Seymour was The lows New Logland states \$11.329.825 an verdict of the country on that occasion was increase of \$69.622 over 1878, middle states recorded in 214 electoral votes for Grant and S170 310 846 an increase over 1878 of \$14 85 Colfax and 71 for Seymour and Blair New 878 southern states, \$43 917 224 an increase to the states, \$23 of \$1,120 000 over 1878, western states, \$23 37J 46 an increase over 1878 of \$22 32, 3, Tilden frauds of that year New Jersey Pac 5c states \$10 721 157 an increase of \$63 voted seven and Oregon which had been 686 over 1878. Thus the western not includ hearily colonized with ex-rebels voted three ing the Pacific states show the greater is crease and testify to the rapidity with which the courtry is developing

Here is a conclusive answer to all that is alle ed sgalust General Garneld in the Creut Now again as in 1868 the issue is one of Mobilier affair, viz. Had he bought the shares offered him by Oakes Ames there would have been no impropriety in it as pretation of the constitution. It wants to Gredit Mobilier was at that time a legitimate er terprise and its rascalities did not tare thee nil long after But he did not bey them never agreed to buy them never received a dime on account of them, and was exonerated by the committee of in-sessigation. This is answer enough except for rancals who have themselves been detr ted and exposed in such transactions as drawing raudulent warrants experting in frami plent measurements of printing and robbing the public treasury in a variety of ways ; chiors All fellers of this class are so virtuous that no standard of public ageraicy is high enough for them

The treewire department is now refunding at 4 per cent a loan of \$18 415 000 which Buchange administration put on the market at 6 per cent , and for which it realized only brue place of the nigger," o the jud, ment finer cial condition in which the republicans of a very large and perhaps the dominint received the government and its condition element of the democratic party, is that of a now Bonds bearing 4 per cent now go a a chaite! working under a master and kept as memium. When the demogratic party had as elave times upon a peck of mesl and three the government bonds bearing 6 per cent.

Br a compositor s error a chipping printed yesterday on our first page headed is it Shaked unt of Realty Worth While?" which was taken Origon to f on the New York Herold was credited to the World The paragraph is better from the Bernd than from the World, because the former is a strictly independent paper and it really worth while to shift the control of the cational government to the democrats, con

I s the verdict of the press of the count y that the Wallace committee which has be n investigating the operation of the election laws in New York, caught a Tarrar n country the means employed in countries 40 000 fraudulent votes in that city

Western Oregon. Hillsboro is now a money order office The bridge screek Crabbree creek in the forks of the Santism is completed and open to travel. The bridge across Thomas creek will be finished by the first of September

Ruena Visita needs a blackmith. Any person looking for a location in that busicess will do we'll to give this blace a call, for he sides a large trade specia inducements will be offered to a good workman. Forest fires are already threatening Clacka-nas county settlers who live near the heavy mber, keeping them in a state of constant axisty and watchiness. The danger will of state nutli the fall are as at in

not abate until the fall rains set in

It is the intention of those having the mat ter in charge to procure the stone and have the foundation of the new college at McMinn-ville laid, this fall. The entire amount for the complete construction of the building, \$20,000, has not yet been assed

20 too, and not yet been and Dr. Crawfo da rain near Albany a faw cays ago and worked o the complete salishection of the farmers who watched its movements. It is claimed that the objections to wire binders are all ob-rated by this twine binding machine.

Albany Democrat. At less the rust has made its appearance in this county again, having been noticed first luring the fore part of the present week. It has attacked only the latest sown spring grain on wet land, but it as to late in putting in an appearance that it will do but very little damage.

it will do but very little damage.

Two hod carriers, Dan Callahan and Irish Palsey while serving the mesons of Senders & Sternberg's new buildings in Albany, fell from their platform on the rooks below, their brakes falling on them. Callahan had one of the floating ribe on his rectarde brokes and received several severe bruless on the held and chest and will not be able to work and for two or three weeks. Patney" all phod on his head his forehead striking of large rock. It cat quite a hole in his countinance but he will be all right in a few days.

Southers, Occayon. Southern Oregon.

Mrs. Lapp, who lives on Isthmus slough, oos county, killed a large wi'dcat last week

whire a horgonic. It cost Cook, county \$1768 18 to keep its pumpers heat year. The insane for the same period cost the county \$137.

Mr. Hums has decided to build a sleamer at Ellensburg, the work of getting out the inocessary il miner has already outmen ced.

isocreary timber has afree by commenced. Hemlock holts are being used for barrel stayes at the Empire barrel factory. Hemlock is quite, pleur fall in some locatries on the bay, but it has not berettore been used for any purpose. It is heaver and stronger than spruck, and free from the tendency to cause goods kept in it to tasts of the limber.

Mr. Crosby, for many peans past leeper of the Arago ligathouse has resigned, the com-pensation having been recuced to such a low figure that he cannot affor do remain. The assistant keeper of the Blanco light will prob-shly succeed him Mr. Crosby has been in the lighthouse service aimost constallly since its establishment on the Ovegon coast. Two Portland ladies met. Says No 1 Why to you know what I heard about

LIVER PILLS.

Hepatitis, or Liver Compla nt,

DYSPRESIA AND SICK HEAD! CHE

Symptoms of a Diseased Liver

DAIN in the right side, under the edge of the ribs increases on pres-

sure, sometimes the pain is in the left side, the patient is rarely able to lie

on the left side, sometimes the pain is felt under the shoulder blade, and it

frequently extends to the top of the

for rheumatism in the arm. The

stomach is affected with loss of appetite and sickness, the bowels in gen

eral are costive, sometimes alternative outh lax, the head is troubled with

pain, accompanied with a dull, heavy

sensation in the back part. There is generally a considerable loss of mem

ory, accompanied with a painful sen

sation of having eft undone some thing which ought o have been done

A slight, dry cough is sometimes an

attendant The patient complams of

weariness and debility, he is easily startled, his feet are cold or burn rig,

and he complains of a prickly sens

tion of the skin, his spirits are low; and although he is satisfied that exer

cise would be bereficial to hum, vet

he can scarcely summon up fortitude

enough to try it In fact, he distrusts every remedy Several of the above

symptoms attend the disease, but cases have occurred where few of them ex-

isted, yet examination of the body,

after death, has slown the LIVER to

AGUE AND FEVER.

DR C McLANF'S LIVER PILLS IN

CASES OF AGUR AND FEVER, WIGH

taken with Quinine are productive of

the most happy results. No better

cathar ic can be used, preparatory to,

or after taking Quinine. We would advise all who are afflicted with this

a simp e purgative, they are unequa ed
